

ALIVE Youth Revival '13

THE FINAL CALL

NOVEMBER 23–30, 2013
GUEST SPEAKER: PR JUSTIN TOROSSIAN, USA
Waitara Seventh-day Adventist Church

GUEST SPEAKER: PASTOR JUSTIN TROSSIAN, USA

After accepting the Lord's call to ministry at the age of 17, Justin studied Theology at Pacific Union College, in his home town of Angwin in Northern California. Upon graduating he served on the pastoral staff of the Fresno Central SDA church in the Central California Conference, and a supporting ministry, *Secrets Unsealed*. Justin has a passion for evangelism, teaching, music and anything to do with the great outdoors. A descendant of Ellen G. White, the most prolific female author in history and a pioneer of the Seventh-day Adventist church, he also has an interest in sharing the history of the Advent movement. Presently an MDiv student at Andrews University, Justin has spoken to audiences around the world and we are excited to welcome him to Sydney this year.
